

New Gen Health Insurance Responders

Average Monthly Hotline	118,900	\$110/M
Total File	1,520,940	\$110/M

Overview

These individuals actively pursued more information regarding health insurance, final expense insurance, Medicare Supplement, and Medicare Advantage products and services. They engaged by completing forms or surveys expressing interest in insurance-related offers, including discounted health insurance, final expense, and Medicare Advantage and Supplement policies.

This meticulous opt-in process ensures heightened responsiveness among these records for low-cost health insurance, final expense plans, as well as Medicare Supplement and Advantage plans. Additionally, they exhibit favorable responsiveness to continuity programs, insurance offerings, merchandise catalogs with stored credit options, and various health-related services.

On average, these individuals are 56 years old with an average income of \$41,500. They represent ideal prospects for Medicare Advantage and Supplement plans, final expense coverage, health insurance, medical services, catalog credit offers, magazine subscriptions, life insurance policies, secured and subprime credit opportunities, Internet services, legal and financial services, home equity loans, and money-making opportunities.
